The sealed envelopes were placed for collection and mailing at the business address indicated above. I am readily familiar with this firm's practice for the collection and processing of correspondence for mailing with the United States Postal Service. Under that practice, the firm's correspondence would be deposited with the United States Postal Service on the same date with postage thereon fully prepaid in the ordinary course of business.

I declare under penalty of perjury under the laws of the United States that the above is true and correct. Executed on March 31, 2022, at Los Angeles, California.
